Bio

Freelusion, based in Los Angeles, California, combines video mapping with dance, the result of which is an interactive, never-before-seen on-stage spectacle. For America's Got Talent, the founders of Freelusion collaborated with exceptional dancers Laura New, DJ Smart and Sean-Joshua Lumbab, to merge technology with movement. The show creates a unique storytelling device that blurs the boundaries between illusion and reality, and guarantees a memorable experience. Freelusion aims to be a pioneer of this new genre of entertainment, to serve both as a source of inspiration and as an
